IMPACT BRIEF 2019

MAKING AN IMPACT FOR

every student, every school

ISSAQUAH SCHOOLS FOUNDATION

The 2019-2020 school year marks the 33rd year that the Foundation has supported students through programs that give them opportunities to explore and cultivate their interests, thrive academically, and graduate with the skills they need for rewarding and productive futures.

GRANTS

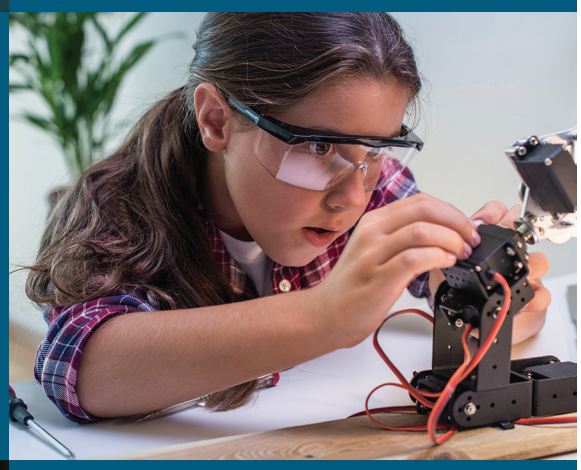
The Foundation awarded 28 grants to support projects that enrich education, fill unmet needs, and/or serve as innovation in education.

AFTER-SCHOOL HOMEWORK HELP

Students received one-to-one help from teachers almost 14,000 times during after-school homework labs.

ROBOTICS

Funding gave over 500 students across the district an opportunity for hands on STEM learning in robotics clubs.



FOOD AID

More than 15,000 free breakfasts, snacks, and lunches were provided to students to help them be ready to learn.

TOOLS FOR SCHOOL

1,000 students in need received free backpacks filled with school supplies to help them go back to school with confidence.

ART

More than 550 volunteer art docents received training and lesson plans, giving them tools to teach innovative art classes in elementary schools.

Established in 1987, the Foundation supports all 24 schools in the Issaquah School District, covering 110 square miles, across Issaquah, Sammamish, Newcastle, Bellevue, and Renton, and funds programs for more than 20,500 students.

CULTURAL BRIDGES

More than 335 families received one-to-one support in eight languages to help them navigate the school system.

THANK YOU FOR YOUR SUPPORT!
