

Issaquah Schools Foundation
P.O. Box 835
Issaquah, WA 98027

Each spring, the Issaquah Schools Foundation launches our largest fundraising effort in support of local students.

A highlight of our month-long Nourish Every Mind event is the online auction that excites families about supporting both our local businesses and our local students! The auction is a prominent focus of our programming at the beginning May and then we transition to an inspiring conclusion to bring our community together around the shared effort to ensure that kids have what they need to learn.

Our donors and business sponsors empower us to provide support and resources in the areas of Academic Support, Basic Student Needs, Behavioral Health, and community outreach-based equity work to 20K+ students living within a 110 square mile boundary that includes Issaquah, Sammamish, Bellevue, Newcastle, and Renton.

Please consider becoming a **Nourish Every Mind auction sponsor this spring. This 10-day online auction starts May 6th, 2022, and offers you the opportunity and flexibility to showcase your support in a scalable manner that fits your current business goals and budget. We acknowledge how this year continues to present challenges and hope partnership with the Foundation offers the welcome opportunity to gain visibility and promotion within our audience of local families.**

Please refer to the attached information about the Issaquah Schools Foundation and our upcoming auction for your review.

To donate/arrange Foundation pick up of an item:

- Please directly reply to this email
- Return the completed FY22 Donation Form
